**52.01 MOWING OF PROPERTIES REQUIRED.** Any property within the City, whether vacated or non-vacated, is required to be mowed any time the vegetation reaches a height of more than 8 inches by the 15<sup>th</sup> day of the month in May, June, July, August, September, or October of each year.

**52.02 PENALTY.** Any property that is not mowed by the above monthly date may be mowed by the City or its agent, and a charge of \$75.00 per hour (one hour minimum) for such mowing, plus an administrative fee of \$100.00, will be charged to the property owner. Any property owners who fail to mow their properties, thus allowing the same to be mowed by the City or its agent, and who do not provide payment for the mowing as required, will be assessed by the City for such costs, which will be collected in the same manner as general property tax. Any property owner in violation of this chapter is guilty of a simple misdemeanor.

**52.03 METHOD OF BILLING AND SERVICE.** Annual publication of the ordinance codified in this chapter will serve as notice to property owners. Any billings for mowing done by the City or its agents are to be sent by regular mail and are payable within 30 days of billing date.
